AFTER SCHOOL ACTIVITIES

Saint Patrick School is proud of our after school activities. During the school year, we offer a concert band, chess club, ceramics, drama, F.A.S.T Athletic program, Riding club, Student Council, Tennis club, baton twirling, Rosary makers, and Scouting for both boys and girls. We offer a Sports program each season for the students in 6th, 7th and 8th grades thru the Catholic Middle School Athletic Association.

CATHOLIC MIDDLE SCHOOL ATHLETIC ASSOCIATION

St. Patrick School is a founding member and proud participant of the Catholic Middle School Athletic Association (CMSAA) of Suffolk County. The CMSAA is a group of parochial schools throughout Nassau and Suffolk County which have chosen to provide inter-school athletic competition for its students in grades 6-8. There are approximately 14 schools participating. Current sports offered include:

- ◆ Fall Season (Sept. – Nov.) Cross-Country and Soccer
- ◆ Winter Season (Dec.-Feb.) Basketball and Bowling
- ◆ Spring Season (March- May) Baseball, Softball, Volleyball, and Lacrosse

The program coordinator for our school is Bob DiGregorio. He directs the activities of the various teams and represents St. Patrick School at CMSSA meetings. He also coordinates communication of the programs throughout the School and the establishment of team rosters, etc. for each season. He may be reached year-round via e-mail at bdigegorio.cmsaa@gmail.com. Colleen Bellois is our school contact person. She will coordinate the registration, team formation and uniforms for CMSAA. She can be reached via email at cbellois7172@spssmith.org

To be eligible to try out and **remain on a school team** at St. Patrick School a student (grades 6 through 8) must be in good standing academically, have exemplary conduct and have an approved Sports Physical on file with the School Nurse's office.

All sports fees must be paid before the season begins.

A "Fighting Irish Scholar/Athlete of the Year" is selected by determination of all 8th grade teachers, the Physical Education teacher and coaches from all three seasons. This award is presented at the 8th Grade Graduation ceremony. To be eligible for consideration, a student must be in the 8th grade, participate on a School team in all three seasons and be on the Principal's List or Honor Roll.

St. Patrick School's Fighting Irish Teams also participate in volunteer activities during each season. Good Luck to all our "Fighting Irish" Teams!

CHURCH AND STUDENTS

The children of St. Patrick School participate fully in Church rituals and celebrations. Students take part in and attend First Friday liturgies and special liturgies for the opening of school and various holidays throughout the year. They will have their throats blessed for the Feast of St. Blaise as a school community. We have our own Lenten Prayer service for Ash Wednesday, we attend mass every Friday during Lent, and we participate in a May crowning. Beginning in 5th grade, those students who wish may become Altar servers.

The students in 2nd grade are prepared for Reconciliation and First Holy Communion, which they receive as a class on the Saturday before Mother's Day.

8th graders receive Confirmation in the spring. Preparation for receiving this sacrament begins in 6th grade.

Parents should accept their responsibility to make sure children attend Mass on Sundays and Holy days of Obligation.

DISCIPLINE

The discipline policy of Saint Patrick School has been formulated by the administration and teachers of Saint Patrick School to assist the parent in the formation of the child's character and to insure that every child feels safe in school. In this manner they will be able to work to their full potential within the classroom setting.

****See "CODES OF CONDUCT" for grade level specific information***

The right to suspend a student from Saint Patrick School shall be at the discretion of the administration. New York State Education Law provides that any student who is insubordinate or disorderly or whose conduct otherwise endangers the safety, morals, health or welfare of themselves or others may be suspended. They may also be suspended if they have a physical or mental condition that endangers the health, safety, or morals of themselves or others.

Under the Gun-Free Schools Act, the administration has the right to suspend a child or children for one year for bringing or threatening to bring a gun or any harmful weapon to school or to any setting that is under the control and supervision of the school. Administration will determine the course of action.

Parents are asked to support this policy in the interest of character development and responsibility.

Middle School, Sixth through Eighth Grade Code of Conduct

The 6-8 grades will be utilizing a demerit system of discipline beginning the 2013/2014 school year. Since this is the first year the demerit system is being implemented, we will use September as a trial period. The system will be put into effect on October 1, 2013 for grades 6 through 8.

There will be a demerit register for each class and it will be monitored by the homeroom teacher at the end of each day. The demerit period will be from marking period (trimester) to marking period (trimester). Every five demerits will received by a student will result in an afterschool detention the following Wednesday. Once a student has received four demerits, a form will go home with the student as a means to inform you that they will receive detention with the next demerit given. The form will need to be signed by you as confirmation and must be returned, and handed in, on the next school morning.

If a student fails to bring in the form on the next school morning, it will be counted as their fifth demerit and they will be given detention on the next Wednesday after school.

If a student fails to attend the designated detention, they will fulfill that detention on the next Wednesday after school.

If a student has three detentions (15 demerits) within a marking period, a conference will be arranged with the parents/guardians and teacher(s) involved.

If a student has four or more detentions (over 15 demerits) in a marking period, it may result in a suspension of any planned school activity (i.e. after school activities, sports, dances, trips, etc.), at the discretion of the school administration.

Reasons for demerits are as follows:

- ✓ Disruptive behavior in class
- ✓ Aggressive behavior on any school premise
- ✓ Inappropriate behavior (all students are expected to represent St. Patrick during school hours and school-sponsored events and should act accordingly)
- ✓ Out of uniform (missing or inappropriate clothing or accessories)
- ✓ Unprepared for class (books, notebooks, pens, pencils, any other supplies requested by the teacher)
- ✓ Inappropriate dress as specified in handbook (skirts/shorts too short, nail polish, earrings, make-up, etc.)

Automatic detentions:

- ✓ Fighting
- ✓ Destruction of school, teacher's, or another student's personal property
- ✓ Inappropriate language or gesture towards anyone
- ✓ Disrespectful behavior towards administration, teachers, or other students.

BULLYING

Bullying is the persistent physical, verbal or emotional abuse of another individual. It includes teasing, taunting, name-calling, social exclusion and rejection. The American Psychology Association classifies bullying as a “conduct disorder”. Bullies have a strong need for power and dominance. They enjoy being in control and need to subdue others. Saint Patrick School will not tolerate bullying on any level. As a Catholic School we promote the values of empathy, kindness, caring, compassion and inclusion. Students are **FREE** to report bullying without fear of retaliation. Names are not used. We maintain the anonymity of anyone who reports bullying. Report it immediately and it will be dealt with immediately. Victims and bystanders need to work together to create a truly caring community. Be clear about what you see and if you don't get help from one adult go to another until help is found. Consequences for the above will be decided upon by administration depending up on the grade level. Most importantly teach your children through example.

If a student commits an infraction against the discipline policy of the school, including but not limited to bullying, fighting, using inappropriate language, demonstrating disrespect to the teacher, disrupting class, lunch or recess will receive the following consequences:

- A notice of concern will be sent home to the parent to sign and the student will receive recess detention.
- If there is a 2nd infraction the same procedure as above will be followed
- If there is a third infraction, a referral notice will be sent home, requesting a meeting with the parents and an after school detention will be served by

*Students in the younger grades (K-3) will be handled at the discretion of the teacher after consultation with administration.

Any physical violence between students or verbal threat of violence will result in suspension or expulsion of the student at the discretion of the administration.

* 8th graders who violate school policies are subject to the loss of Honors at graduation.

EARLY DISMISSAL

Students are expected to be in school until 2:20pm unless they are ill or have an appointment with a Doctor that cannot be made after school. If it is necessary to pick up your child for an appointment, please do so by 1:30 pm to alleviate any confusion with the buses and regular pick-ups. If you are picking up your child early you must send a note in with your child in the morning stating the reason and who will be picking up your child. The name of the person picking up your child must be on your child's release form. **IT IS NOT ACCEPTABLE POLICY TO SHOW UP AT SCHOOL AT 2pm** to remove your child early from school.

We strongly urge you to allow your child to take the school bus on a regular basis. It is part of their educational experience.

ELECTRONIC EQUIPMENT

Students should not bring to school: cell phones, MP 3 players or cameras. They also should not bring Game Boys, X-Boxes, I pods, etc. If these things are discovered in school they will be confiscated and the parent will be called to pick them up. They are distracting and costly to replace. The school will not reimburse the cost of these items if they are lost or broken. The children need to focus on their studies and on being prepared for class with the correct books and supplies.

TECHNOLOGY

Technology is evident in every aspect of our lives. Although we as educators see this as a positive and effective tool in learning, it can also have a potentially negative effect on the lives of our students. The use of handheld electronic devices and the incidents of cyber bullying, cheating, texting, and participating in violent video games have grown tremendously in recent years. With these concerns in mind, all student owned electronic devices must be turned off and secured in the student's locker during the school day. This includes cell phones and ALL handheld electronic devices. (New York State Educational law prohibits all cell phones and electronic devices from classrooms where state tests are administered.)

Consequences for displaying or having a device activated in school without a teacher's permission are:

1. The device will be confiscated for a minimum of 24 hours.
2. The child may receive a possible one day in school suspension.
3. The device must be reclaimed by the parent.

All students in grades 1-8 must submit a Technology Use Agreement prior to accessing the internet via the St. Patrick School network. Improper use of St. Patrick School devices, printer, or internet access may result in a technology use suspension of a minimum of 30 school days. This is a difficult and complicated issue. We know that if we work together we can provide the students with an excellent learning environment as well as solve the challenges we face. The safety of the children of St. Patrick School is of utmost concern to the faculty and staff. We thank you for your cooperation.

USE OF STUDENT PHOTOS / VIDEOS ON THE ST. PATRICK SCHOOL WEBSITE

St. Patrick School, including faculty, staff, and parents may take appropriate pictures of faculty, staff, and students during school functions, events, field trips, and other school happenings. These pictures/videos may be posted online to display students' work, promote the school and engage parents and the community. Student-created content (pictures, videos, documents) may also be uploaded to the web throughout the year. These pictures, videos, and documents are not to be manipulated or used for inappropriate means by any member of the St. Patrick School community.

Because these pictures/videos are online, they may be accessible to any and all persons who visit these sites. **A student's name will never be used in any picture/video unless the parents are notified and permission granted.**

If you wish for St. Patrick School not to use your child's image on the school website, you must notify the school in writing.

PESTICIDE NOTIFICATION

New York State Education Law, Section 409-H requires schools to provide written notification regarding actual or potential use of pesticides throughout the school year. The school is also required to maintain a list of students, parent and staff members who wish to receive a 48-hour prior written notification of specific pesticide applications in the school. This is to advise there have been no additional applications since the last notification.

The school has utilized an integrated pest management program (IPM) in order to restrict or eliminate entirely the use of pesticides in or around school facilities. The school IPM program includes the use of a contracted firm, expert in conducting integrated pest management programs. This firm conducts monthly inspections of all facilities and takes appropriate remedial measures to eliminate or reduce the presence of insects or other pests.

While the school does not anticipate any situation where there will be a need to provide notification of a pesticide application 48 hours in advance, if you would like to receive such notification if one were required, please send a postcard or brief letter to the School Nurse, St. Patrick School, 284 East Main Street, Smithtown, New York 11787 requesting pesticide application notification. In the unlikely event an application of a regulated pesticide application is required; the School would not apply such chemicals unless the school was to remain unoccupied for a continuous 72 hours following the application. In doing so, a 48-hour notification would not be required.

ATTENDANCE / TARDINESS

No student will be permitted to leave school before the regular dismissal time of 2:20pm except in the case of illness or an appointment with a doctor that cannot be made after school. To allow a student to leave from school early, a written statement from the parent is required. This statement should be given to the homeroom teacher in the morning. This should clearly delineate the reason for early dismissal, the time the child will be picked up, and who will be picking up your child. The name of the person picking up your child must be on our release form. Unless it is absolutely necessary students should not be taken out early. It is extremely disruptive to the classroom environment. **We strongly discourage parents calling during the school day and changing their child's plans for dismissal.**

When a student is absent from school, a parent should call the nurse in the morning at 724-0285 x2. Absences in excess of 20 days are subject to administrative review in regards to promotion.

If a student arrives late to school they will be given a late pass by security. Parents are not to walk their child to the classrooms. Younger students will be walked to their classroom by security. Students who are consistently late will be reviewed by administration.

LUNCH

Our school offers a full service cafeteria managed by Mr. Ed DeRose. Mr. DeRose and his staff have been certified by the Suffolk County Board of Health in Food Service Management. The cafeteria is licensed by the Suffolk County Board of Health as well. This certification prohibits any food that is not

store bought to be distributed to the students in classrooms and in the cafeteria. The selection that the cafeteria offers is wide and varies from day to day with certain items being offered every day. Milk is available while soda is not. Students have a 40 min. lunch period, 20 minutes for recess and 20 minutes for lunch. Teachers and teacher assistants supervise lunch in the cafeteria and also recess (indoors and outside dependent on weather conditions.) Parent volunteers help to supervise recess in grades 1-5. There is one volunteer per class. All volunteers must have Diocesan background checks and Virtus training. It is mandatory that all volunteers must attend a training session in September to go over the guidelines for recess.

Please do not send in any glass bottles to school. Fast food brought in by parents at lunchtime is **ABSOLUTELY FORBIDDEN.**

PROMOTION/SUMMER SCHOOL

As stated in the section entitled Attendance/Tardiness, promotion to the next grade is at the discretion of the administration. Excessive absences and or lateness seriously affect the student's ability to be successful in the classroom. Poor attendance (more than 20 days absent) may jeopardize promotion to the next grade and is subject to administrative review.

Students in grades 4-8 who have failed in any of the major subject areas of Language Arts/Reading/Writing, Mathematics, Science and Social Studies will be required to attend an accredited summer school institution or be tutored by a certified teacher. If the option of tutoring is chosen, these services must be given 3x a week for 6 weeks. All students involved in summer programs will be formally evaluated by St. Patrick School before being promoted to the next grade. This will take place on the last Tuesday of August.

Students who do not meet the criteria for passing any New York State test are highly recommended to seek remediation in the particular subject area involved during the summer. Further remediation, which is mandated by the state, will be given during the following school year. Students will be formally assessed as to their progress at the end of the school year.

FIELD TRIPS

Periodically, teachers may plan to take classes on outings during the school day. These excursions are learning experiences while simultaneously providing enjoyment. In order to participate in a class trip, the child must bring in a permission slip signed by the parent/guardian. Each teacher has the right to withhold a student from going on a trip because of lack of respect for his/her classmates or teachers, questionable conduct or if the child might be considered a danger to him/her or others during this time.

A standard form for all field trips will be used by teachers to advise parents of an upcoming field trip. This form will contain a parental request that the student be allowed to participate in the offsite activity, parental permission for such participation and any other pertinent information regarding the trip. It is understood with each field trip that there is parental release/waiver of school liability in the event of accident/injury. Telephone calls will not be accepted in lieu of permission slips. The number of parents asked to chaperone on the field trips will depend on the size of the class, the destination of the trip and the number of teacher and teacher assistants attending.

ARRIVAL/DISMISSAL PROCEDURES AND SAFETY

No child is to be driven to school or left on the school property before 8:00AM. After 8:00AM a teacher will meet students being dropped off in the circle in front of the Church. These children being driven to school will use the West Wing entrance. All buses will drop off students at the center entrance (by the Youth Office) of the school where they are met by school staff. All students will walk to their classrooms. Parents are not permitted to walk their children to their classrooms. That responsibility will be overseen by the teacher on duty. Younger students coming by bus will be escorted to their classrooms by their bus captains.

Children being picked by parents at dismissal will be use the East Wing back entrance by the Parish Center parking lot. Parents are required to send a note on the day they are picking up their child. Without this note children will be expected to take the bus home. Please make sure your child is aware of your plans for them for the day. (If your child is driven to school and never takes the bus, one note for the entire school year is all that is necessary.) Your child will not be released to anyone not listed on your release form.

No parent may remove their child from the bus line.

All students staying for an after school activity will go directly to Canning Hall at dismissal. They are also required to have a note citing that they are staying after.

Pre-school parents will use the New Life Center entrance (West Wing) and wait in the lobby with their child. Teachers will meet parents there for both arrival and dismissal.

St. Patrick School cannot enforce orders of protection. Notification to St. Patrick School that a parent/guardian/grandparent cannot pick up a child or children must be a legally binding document. Divorced or separated parents must file a court certified copy of the custody section of the divorce or separated decree with the Principal's Office. The school will not be held responsible for failing to honor arrangements that have not been made known.

BUS DISCIPLINE AND SAFETY PROCEDURES

Riding in a district transportation vehicle is a privilege offered to students who reside within the district. All students being transported are under the authority of the bus driver and must obey his or her requests. Procedures and safety rules help ensure the safety and protection of each student. Failure to meet these standards, or follow these safety rules and procedures may result in student injuries or cause delays or distractions to the driver.

- Board carefully; be courteous; move quickly to your assigned seat.
- Remain seated during the ride to and from school. Never extend arms, hands, heads or objects through bus windows. Standing, crawling, or moving from seat to seat is not allowed.
